## PERENNIALS

Many of the better types of perennials are available at our Garden Center.

We have in addition to our regular perennials, interesting new varieties and plants suitable for the rockery, border and natural groupings.

During the season clumps of perennials will be available in metal containers.

Potted bedding plants such as Geraniums, Ageratum, Petunias, and annual seedlings are available at our Retail Nursery Sales Store in the spring.

Imported Tulips, Daffodils, Hyacinths, and other Spring bulbs are on display in the fall.

It is pleasant to do your garden shopping at Bulk's.

## VINES & CLIMBERS

For quick results in covering the bare sides and softening the sharp angles of buildings, hiding unsightly fences, beautifying and shading porches, bowers, and summer-houses, vines and climbers are indispensable. The sweeping vines about a porch appeal to everyone. **Slight extra charge for balled and burlapped "B&B"**

**BULK'S HARDY ROSES**

Roses—the mere name is an inspiration to garden lovers. Nothing can take the place of the Rose. Almost every home has room for at least a few. Roses will grow in any fertile soil, but are much improved in bloom, fragrance, and beauty by rich soil, liberal fertilizing, and good cultivation. Branches should be well cut back early each spring.

FRUITS

In the extremities of the lawn or upon the adjoining lot, plant fruit trees. They will bountifully reward you in the fruit they yield, which you will enjoy eating right from the trees or in the winter as preserves and jam. The fruit-garden can easily be made a part of the scheme for beautifying your property. Flowers along the walk to the orchard will brighten the way and provide blooms for cutting.

## GUARANTEE

(In conformity with uniform guarantee as adapted by National Landscape Nurserymen's Association.)

Provided account is paid within 30 days, and plants have received reasonable care and protection, we will replace at one-half original cost all woody plants furnished and planted by us which fail to survive one growing season. Guarantee does not apply in cases of loss due to drought, severe winter storms, insect injury, seashore exposure, or factors beyond our control.

The customer pays the cost of delivery and planting of the replaced plants.

If plants to be replaced are out of stock, credit will be applied to other plants.
